

Declaration of conformity

The undersigned Rita Panarelli & Dennis Broeders,
owners of the LaDot brand and company LaDot cosmetics V.O.F.

Declares that their cosmetic products branded LaDot :

- ✓ the products have been dermatologically tested, 24 hours, on 12 persons with study conclusion:
The product appeared to be not irritant to the skin;
- ✓ prior to placing on the market, they are subject to a safety assessment by a toxicologist expert aiming at safeguarding the health of the consumer, with a Cosmetic Product Safety Report to be drawn up known as PIF document;
- ✓ have been notified on the Cosmetic Product Notification Portal (CPNP nr. 1615348) of the European Commission before they were placed on the market;
- ✓ are in compliance with the current regulations regarding the production and the commercialization of cosmetic products (reglement CE n. 1223/2009);
- ✓ are produced in respect of the Good Manufacturing Practice;
- ✓ exclusively contain – in respect of any restrictions of use – colorants and preservatives inserted in the Attachments IV and V of the CE Regulation n. 1223/2009, therefore considered safe for the cosmetic use;
- ✓ are equipped with a lot number ensuring the traceability of the finished product, their tests, their manufacturing and the raw materials used for manufacturing of products;
- ✓ are not tested on animals neither as finished products nor as their prototypes, in conformity with the current European regulations;
- ✓ any information referring to single products (the qualitative and quantitative formulas, the physical, chemical and micro-biological specifications of the raw materials and the finished products, the manufacturing method, the data on the safety evaluation of the product, the evidence of the claimed effects and the existing data regarding the undesirable effects on human health resulting from use of the cosmetic products, any information about packaging components) are collected in the reglementary dossiers (PIF Product Information File) and accessible to the competent authorities;
