

GENERAL INSTRUCTIONS:

- Supplier to ensure correct revision level drawing for production. Contact Stanley Black & Decker Purchasing Department for latest revision level drawing.
- Contact SBD Graphic Design for original artwork, color standards and corporate guidelines.
- All materials must comply with SBD engineering specifications document number ES100118. Copies of this document may be obtained from the SBD purchasing agent that has placed the purchase order with your company.
- Abrasion resistance of printed corrugated materials must meet specifications outlined in SBD engineering specifications document number ES100166.
- Artwork pictured on this drawing is for reference purposes only. Where variations between drawing and original artwork exist, the Illustrator artwork file is the controlling document for graphical representation only. **SEE DIELINE FOR MATERIAL SPECIFICATIONS.**
- Proofs of all revisions that affect artwork and all new color formulations must be submitted to SBD Graphic Design for approval prior to making production parts, see EP-1006.
- Remove die cut slugs.
